

The background of the image shows two coffee drinks on a light-colored wooden surface. On the left is a clear glass filled with an iced coffee beverage, topped with a white foam layer and a clear plastic straw. On the right is a dark blue ceramic cup filled with a latte, featuring a heart-shaped latte art design on the surface of the milk foam. The overall lighting is soft and natural, creating a clean and inviting aesthetic.

ABOUT FOREWORD
COFFEE ROASTERS

WHO ARE WE?

Foreword Coffee is a locally-grown specialty coffee company established in 2017 with the mission to mainstream disability and normalize inclusion. We are a social enterprise comprising people from diverse backgrounds, including those with disabilities and mental health needs, coming together to provide sincere coffee experiences. We work with trusted coffee partners in Asia and import green coffee beans from China, India & Indonesia. We roast our coffee in-house fresh every week.

In August 2021, Foreword was one of six recipients of SG Enable's Enabling Mark (Platinum) Award, cementing Foreword's best practices and outcomes in disability-inclusive employment. As a testament to Foreword's commitment to environmental and societal well-being, Foreword became the 17th B-Corp certified business in Singapore in 2022. We are also proud to be awarded the Social Enterprise of the Year for the President's Challenge Social Enterprise Award (PCSEA) 2023!

foreword. WHY FOREWORD?

We care about **people, coffee and the environment,**

People

We recognise every individual's capability in contributing meaningfully. Together, we co-create and sustain an inclusive workplace.

Coffee

We value the importance of traceability and transparency in our coffee supply chain. We build lasting partnerships with coffee producers in Asia.

Environment

We support environmental sustainability by introducing green nudges at our cafes & packaging initiatives.

while ensuring that your **business needs are met.**

YOUR SUSTAINABLE IMPACT MULTIPLIED

By partnering with us, you will be **multiplying** the impact that you and your business can make:

-  Supporting independent and trusted coffee producers in growing Asian regions that we work closely with.
-  Providing opportunities for our employees in product preparation and in delivering of corporate services at events and workshops.
-  Making conscious effort to ensure packaging materials are sourced from responsible suppliers with transparency in their supply chain

INNER VIEW

WHY CHOOSE OUR COFFEE CAPSULES?

1. MADE IN SG

Proudly-roasted by local company, Foreword Coffee Roasters, and manufactured in Singapore.

3. VERSATILE

After several research and development, our coffee capsules have been tested and made suitable for espresso, milk coffee and long black.

2. QUALITY

Made with 100% specialty grade Arabica coffee beans from Brazil and Papua New Guinea.

4. ENVIRONMENT

We work with a local manufacturer to produce these fully recyclable aluminium capsules that do not consist a PVC layer.

COFFEE BEANS

Sourced from Asia, locally roasted.

- Our beans are directly sourced from coffee producers in China, Indonesia and India
- Beans are roasted locally in small batches
- We feature 10 single-origin coffees

By purchasing from producers we trust and work closely with, we can ensure the cultivation of community engagement with every coffee partner.

Enquire for bulk discounts.
